 The year began with a membership of 1618 members. 253 members were lost during the year but there were 79 new members. The planned programme of speakers for Birmingham was greatly disrupted, due mainly to the continuing effects of COVID-19 socialising restrictions and, as the year progressed, a reluctance of members to feel safe enough to attend physical meetings which were resumed in the Autumn. We continued with zoom meetings but the attempts to hold hybrid meetings did not prove technically achievable to meet our requirements. Other regional Society groups endeavoured to make arrangements to suit their member's needs. The Trustees express their satisfaction and thanks to those concerned with enabling the Midland Ancestors Family History Centre to be open Monday to Friday. This facility has been greatly enhanced by becoming a FamilySearch Affiliate Library. In addition to the comprehensive holding of genealogical, heraldic and local history resources, visitors will now have access to millions of records held by the Family History Department of the LDS Church. The Trustees would wish to express their thanks for the experienced team of librarians who are available to offer help and advice to researchers. Contact with the membership and public was maintained through the society web-site and included a virtual programme of speakers. The conferencing events programme has provided the opportunity for members and visitors from more distant parts of the UK and internationally to participate. The trustees have sought to encourage a return to physical meetings but have also been mindful that conferencing allows the opportunity to keep in touch with national and international members.

The Trustees are pleased to report that a Midland Ancestors Heritage Event took place in September. The Birmingham Local and Family History Fair held at Cannon Hill Park attracted 176 paying visitors and 27 exhibitors. The event was run by 38 society volunteers and approx. 60 other support volunteers.

The Trustees have been very appreciative of the General Secretary's continuing monthly members' newsletter which has become an invaluable means of communicating current information and encouraging opportunities for member involvement both within the Society and the wider field of family history activity.

A large team of volunteers (60+), led by the Warwickshire Project manager, have worked on the Warwickshire County Record Office

 The Society's online shop is very popular with both members and non-members. The shop is managed on a daily basis by a team of four volunteers. A newsletter is emailed approximately monthly to 3300+ shop newsletter subscribers. The Midland Ancestors Shop generated around a third of the year's income excluding legacies and donations. This vital source of income relies upon an expanding stock of available items in convenient and flexible format to meet the needs of family historians. There are over 3,000 items in the shop with new items added every week, including updates to the Warwickshire Parish Registers as they become available. These include family/local history books, maps, parish registers and monument inscription transcripts available as downloads. We also sell a large selection of 2nd hand books which have been donated to the society. We have approximately 12 partners and sell their items in our shop, our biggest partners being Warwickshire County Record Office and Staffordshire Parish Registers Society. The printing and distribution of the society quarterly journal The Midland Ancestor is the primary benefit to the membership as a whole. The Editor continues to oversee the production of a high-quality publication which remains fresh, varied and relevant. The Editor has been keen to encourage reader participation. The trustees recognise with thanks the considerable time and effort involved.
The society has a large collection of very detailed Birmingham maps c.1888 and these have all been indexed by the maps Project manager and made available for sale as downloads in the society shop. The maps index has recently been updated by the Project manager.
project to transcribe Warwickshire Parish Registers and to make indexes and images available for sale through the Society shop. This project is now around 85% complete, just some of the larger parishes for Warwick and Coventry, and a few others, remain to be done.

Financial Review	
	agreed that the details and resulting benefits will be shared with members through speaker presentations or journal articles.
Achievements against objectives set	Having agreed in 2021 to donate £21k to four separate groups within our area who share our aims and objectives, the trustees are pleased to report successful outcomes. The groups have been able to provide evidence of their achievements and have been willing to acknowledge the Society's sponsorship. In due time it has been

Statement explaining the policy for holding reserves stating why they are held	The Trustees have a reserves policy which is reviewed and updated annually to inform decision making. There continues to remain the expected significant increase in the Family History Centre room rent once the Midland Institute has decided, funded and completed work to modernise the building in which the Centre is situated. Additionally, it is the Society's intention to enlarge this facility to incorporate a training/seminar room and library extension to encourage more users. There have been during the year, and continue to be, general IT improvements to enhance members' and other users' experience and knowledge in addition to maintaining and improving IT security itself. Our recently enhanced reserves are held for the purpose of satisfying further potential appropriate grant applications from other likeminded charitable organisations, although without further significant donations in the medium term, they will also be required if losses begin to accumulate whilst we work to generate greater interest in the Society.

STATEMENT OF TRUSTEES RESPONSIBILITIES FOR THE YEAR ENDED 31ST DECEMBER 2022

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to: Select suitable accounting policies and then apply them consistently; Observe the methods and principles in the Charities SORP;

Make judgements and estimates that are reasonable and prudent; and

Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity, and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounting and Reports) Regulations 2008 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and the financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BIRMINGHAM AND MIDLAND SOCIETY FOR GENEALOGY AND HERALDRY

I report on the accounts for the year ended 31st December 2022 set out on pages eleven and twelve.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that and independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2022

1. ACCOUNTING POLICIES

Accounting Convention

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Charities Act 2011 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
